## CAMP CONNECT ENJOYS GREAT WEATHER AND NEW FRIENDSHIPS

– Kathy Knapp, Executive Director

As Pastor Dave Wiist from Concordia Lutheran Church shared at our Board meeting, there were 2 ½ nice days in July and we had the good fortune that those days were when Camp Connect was in full production at Jacob's Village. It allowed us to be outside and enjoy the weather as well as one another. A crowd of about 50 residents, volunteers, family and friends gathered to sing, pray, eat, create, and share the good news.

It was time of joyful noise each morning as the guitars played and everyone chimed in to sing songs of praise. Pastor Dave led with some verses from the bible that developed into lively discussions to help us understand the verses he was teaching about. Each attendee was able to create a craft project of their own that was related to the theme, and then they all worked together on different aspects of a larger piece of artwork that now hangs in our business office area. It was inspiring to see that after he talked to the group about his vision for the artwork, a number of small groups worked separately on the project and were able to construct this single, beautiful piece of art.

The perfect ending to the camp time together was the pot luck dinner on Thursday evening that brought all of us together again to enjoy a wonderful meal and time of sharing the camp experience.

We are so grateful to everyone who had a hand in making this camp such a wonderful experience for all who attended... those who helped organize, prepared craft projects, prepared and served lunches, shared their musical talents, designed and printed t-shirts, trained volunteers, led teaching and discussion, and most of all, shared their hearts with those who attended this time of interaction with God's Word and provided a space for new friendships. We are indeed blessed to have those around us who are reaching out to our community's residents in this way. We pray they are blessed in return.

## JACOB'S VILLAGE COMMUNITY CENTER PLANNED FOR 2016

— Laura Hurt, Development Director

Have you heard the news? Jacob's Village has embarked on an exciting project – plans for a much-needed community center are well underway. The 3,700 square foot building will be the centerpiece of our expanding neighborhood, and will offer the space and amenities that have long been part of our vision: a multipurpose room that will accommodate 50 people, a reception area and social gathering space, an exercise/therapy room, and computer workstations for residents' use, as well as administrative offices, a catering kitchen, badly needed storage space and a covered outdoor patio. The center will be within comfortable walking distance of our residents' homes and fully accessible to those in wheelchairs, walkers and

scooters. Ample parking will be available for visitors.

Active minds and bodies, and meaningful relationships with others, are critical to our residents' well-being. We currently have no indoor space large enough to comfortably house social gatherings and group activities, which are confined to the living room in one of our homes. When the activities include volunteers and visitors, it often is so crowded that groups must be split, and some activities are simply not possible. Imagine the possibilities this new space will offer! If you would like to donate to the Community Center effort, please contact Development Director, Laura Hurt at 812.598.4122

### Facility Highlights:

- Social Gathering Space
- Exercise and Therapy Room
- Dining Room and Catering Kitchen
- Resident Computer/Resource Center
- Large Multi-purpose Room
- Conference Room and Offices
- Outdoor Picnic Area

## OUR 4TH ANNUAL TRIVIA NIGHT – BIGGER AND BETTER!

— Laura Hurt, Development Director

So what are these Trivia Nights I keep hearing about, you ask? During a trivia night, a master of ceremonies reads trivia questions split up into a variety of different categories or rounds. The questions are then answered by "teams" or "tables," typically consisting of 8 people. At the end of each round, a representative from each team turns in its answers to a panel of judges who then calculate the scores for each team. The teams compete against one another with the top two or three teams receiving cash prizes. You play together as a team – and trivia buff or not – it is always a great time!

On Saturday, Nov. 14, Jacob's Village will host its 4th annual Trivia Night and we hope you'll grab a group of 8 friends, reserve your table and get ready to play as a team! For just \$35/per person you'll join us at the Scottish Rite Cathedral and experience an exciting night of trivia and a delicious fried chicken country buffet with cash bar. If you want an extra special Trivia Night experience pay just \$45/per person and your night will include a personal server, front-row seating and delicious dessert for your table) Need Tickets? Contact Laura at 812.598.4122 or email at [Lhurt@jacobsvillage.org](mailto:Lhurt@jacobsvillage.org). There will be cash prizes and a silent auction loaded with fabulous gifts just in time for holiday shopping! This event sells out each year, so reserve your table TODAY!

Trivia players bring treats to share with their table.

Second place winners take a winning selfie.

The Otter Belles generously served as captain table waiters.

## SHERRI'S COMMUNITY CORNER – Sherri Haas, Resident Manager

Upon request, Jacob's Village resident Adam Moorehead will show you the video of him skydiving. He, like George Bush senior, was strapped to an instructor. The skydiving company made a video set to rock music from the '70's for him to share with family and friends.

JV Resident, Adam Moorehead

Adam's spirit is reflected in his actions to achieve anything his heart wishes to experience in life. Currently he is enrolled at the University of Southern Indiana as a freshman. His care provider, Cassie Howard, accompanies him to each of his classes and my son, Will, walks with them on Mondays and Fridays in-between his classes. When I asked Adam if college was hard he said 'no.'

Adam and his housemates on Jacob's Village Drive are like family. When one of his fellow residents, John Krietemeyer, injured his leg,

Adam and his care provider visited John frequently while John was recovering. Adam also loves architecture and design. When Adam wanted a dresser built for his bedroom, he sent me a scaled drawing with dimensions and asked if I could find a carpenter to do the work. And because Adam types with his nose, I was even more impressed.

Adam Moorehead & Care Provider Cassie Howard

Oh – and one more thing about Adam. He likes to have fun. When Holy Rosary's Confirmation Class, under the direction of Carol Ann Gaddis, sponsored a picnic for us complete with a water fight, Adam wanted to get wet.....and so in the spirit of Adam, he let me include his picture from the water fight where he got soaking wet!

## JACOB'S VILLAGE RECEIVES NAP TAX CREDITS

By making a donation to Jacob's Village (\$100 or greater), you will be able to utilize Neighborhood Assistance Program Tax Credits - allowing you to get half of your contribution back as a TAX CREDIT on your Indiana taxes next spring, with the option of also claiming the entire gift as a deduction on your itemized federal tax return. Not only will you get a great break on your taxes next April; you'll provide funding for the agency. This means that your gift will be worth more than twice as much as it actually costs you. Here's an example: If you give a gift of \$100, you will make a check out to Jacob's Village for the whole amount. Along with the contribution, you'll complete some paperwork that we will send into the state on your behalf. Several weeks later, the state will send you a letter that indicates you have a tax credit for \$50 (or half of whatever you have donated over \$100). That means, when it comes time to pay your state taxes next April, you will pay \$50 less; or if you don't owe anything, you'll get \$50 back! If you also file an itemized federal tax return, you can also then claim a deductible contribution of the entire \$100, which will save you even more. So your \$100 gift will actually only cost you \$50 or LESS! What counts as a contribution? Cash, checks, stocks, securities, or certain stationary building materials are permitted contributions. Contact Info: If you are interested in participating by donating to Jacob's Village through the NAP program, please call Laura Hurt, Development Director at 812-598-4122.
